## **Subscriptions**

As a group we generate expenses for postage, stationery and the purchase of Council information. For this we levy a subscription of £1.00 per household. Subscriptions run from June to May. This year we are asking that you leave your subscription in the envelope attached, in your porch for collection, the date and time are on the front of the envelope. If you forget, please deliver the subs to your Road rep.

Please leave your 2008/09 subscription out ready for collection as per the date and time on the envelope or return to your Road rep in the envelope provided

## **Committee Vacancies**

Would you like to join the committee, become a road representative, attend local area council meetings, monitor planning applications within the OGRES area?

If this is of interest to you, have you considered joining the OGRES committee? Contact an existing committee member or your road rep (listed) for further details or please indicate your interest at the AGM.

The time commitment is not huge, current committee members spend approximately 15 hours per annum involved in OGRES activities.

We are always looking for and welcome new members.

## **Planning Matters**

Part of OGRES remit is to monitor planning applications submitted to the council that affect our area. In some cases these applications would have a detrimental affect on our community and OGRES work with the local residents to raise these issues with the council.

If you are aware of, or have any concerns about, planning applications affecting your neighbourhood then please do not hesitate to contact the committee who would be happy to work with you.

## **OGRES Charity**

This year we are supporting a local charity - Diamond Riding Centre, which is based in Carshalton, the charity provides therapeutic and recreational riding and carriage driving for children and adults with mental and physical disabilities.

The Centre receives no financial support from government so donations and sponsorship are essential for its survival.

If you would like more information about the Centre please visit their website: [www.diamondcentre.org.uk](http://www.diamondcentre.org.uk)

## **Safer Neighbourhood Team for Wallington**

Wallington has its own Safer Neighbourhood Team, a dedicated team of four police constables and four police community support officers based at the Wallington Police Station on Stafford Road.

The aim of the team is to work closely with the community to reduce crime, anti-social behaviour and nuisance within the ward.

The team is lead by Sergeant Peter LeShirley who can be contacted on: 020 8721 2730 or via email at [wallingtonsouth.snt@met.police.uk](mailto:wallingtonsouth.snt@met.police.uk)
